by Gill Pittar illustrated by Cris Morrell

It was the perfect day for a bike ride.
“You can’t be late,” warned Milly’s mother.
“Grandma has lunch at 12 o’clock.”

“You mustn’t be late,” warned Molly’s mother.
“Don’t dawdle along the way.”

“We won’t be late,” promised Milly and Molly. And off they set.

To begin with it was easy.

Then it was difficult.

And then it was impossible.

The Milly, Molly series of books have been written to promote the acceptance of diversity and sound principles for character education.

Milly and Molly can't be late.

They mustn't be late!

Theme: Punctuality

"Milly, Molly is a wonderful bunch of books. A real find."

Robert Munsch: *Noted author of bestselling children's books.*

"The underlying morals inherent within the texts are important for children of the twenty-first century to take as their own... the language used to carry the stories is lively and exciting for young readers... the language and style is simply good literature... suitable as teaching texts in social studies or health programs anywhere in the world where difference is an integral component of a community"

Professor Dr. Sigrid Markmann: *Dean of the Faculty of Literature and Linguistics - University of Osnabrück, Germany*
