Pages 8 - 24 and the
Teaching Guide have been
deliberately omitted.

by Gill Pittar illustrated by Cris Morrell

Mother said, "Ella Bella Boo is a handful."

Father said, "Ella Bella Boo is trouble."

Milly and Molly said, “Ella Bella Boo is the funniest baby.”

And Grandmother said, "She's perfect."

Milly and Molly didn't mind that she ate the dog's dinner

or the crusts for the ducks.

The Milly, Molly series of books have been written to promote the acceptance of diversity and sound principles for character education.

Ella Bella Boo is a handful, she's trouble,
she's the funniest baby.

Theme: Self-expression

"Milly, Molly is a wonderful bunch of books. A real find."

Robert Munsch: *Noted author of bestselling children's books.*

"The underlying morals inherent within the texts are important for children of the twenty-first century to take as their own... the language used to carry the stories is lively and exciting for young readers... the language and style is simply good literature... suitable as teaching texts in social studies or health programs anywhere in the world where difference is an integral component of a community"

Professor Dr. Sigrid Markmann: *Dean of the Faculty of Literature and Linguistics - University of Osnabrück, Germany*
