Something was very wrong with the day.
Aunt Maude wasn't in her garden.

MR Burgers

Stringer wasn't practising his shots.
And Mr. Burger had shut up shop.

Milly and Molly found Aunt Maude slumped over a basket of vegetables.

“What’s wrong, Aunt Maude?” they asked.

“My spinach is stunted. My potatoes are bumpy. And my tomatoes are lopsided. Nobody will buy them,” snipped Aunt Maude.

“They’ll still taste the same. Somebody will buy them,” said Milly and Molly.

“You’re right. But who?” snapped Aunt Maude.

Milly and Molly found Stringer slumped over his basketball.

“What’s wrong, Stringer?” they asked.

The Milly, Molly series of books have been written to promote the acceptance of diversity and sound principles for character education.

What could possibly be in Milly and Molly's morsels to make Stringer the star of the team?

Theme: Good Nutrition

"Milly, Molly is a wonderful bunch of books. A real find."

Robert Munsch: *Noted author of bestselling children's books.*

"The underlying morals inherent within the texts are important for children of the twenty-first century to take as their own... the language used to carry the stories is lively and exciting for young readers... the language and style is simply good literature... suitable as teaching texts in social studies or health programs anywhere in the world where difference is an integral component of a community"

Professor Dr. Sigrid Markmann: *Dean of the Faculty of Literature and Linguistics - University of Osnabrück, Germany*
