by Gill Pittar illustrated by Cris Morrell

It was market day.

Milly and Molly found an old radio they couldn't leave behind.

They carried it home, dusted it off

and turned it on. Milly and Molly held their breath.

“Parts of Africa are gripped by famine,” said the newsreader. Then the old radio died with a crackle and a pop.

Milly and Molly were aghast. What could they do to help?

The Milly, Molly series of books have been written to promote the acceptance of diversity and sound principles for **character education.**

Milly and Molly, with a little help from nature, hatch a life-saving plan.

Theme: Social responsibility

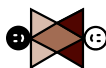

“Milly, Molly is a wonderful bunch of books. A real find.”

Robert Munsch: Noted author of bestselling children’s books.

“The underlying morals inherent within the texts are important for children of the twenty-first century to take as their own... the language used to carry the stories is lively and exciting for young readers... the language and style is simply good literature... suitable as teaching texts in social studies or health programs anywhere in the world where difference is an integral component of a community”

Professor Dr. Sigrid Markmann: Dean of the Faculty of Literature and Linguistics - University of Osnabrück, Germany
