Milly's dad was desperate. "I'll hug anyone who can find my missing sock. Anyone!" he said.

and down behind the drier.

He had looked under his bed

and in the toe of his boots.

The Milly, Molly series of books have been written to promote the acceptance of diversity and sound principles for **character education.**

Who will be rewarded for finding
Dad's missing sock.

Theme: Helpfulness

"Milly, Molly is a wonderful bunch of books. A real find."

Robert Munsch: *Noted author of bestselling children's books.*

"The underlying morals inherent within the texts are important for children of the twenty-first century to take as their own... the language used to carry the stories is lively and exciting for young readers... the language and style is simply good literature... suitable as teaching texts in social studies or health programs anywhere in the world where difference is an integral component of a community"

Professor Dr. Sigrid Markmann: *Dean of the Faculty of Literature and Linguistics - University of Osnabrück, Germany*
