The Friends of Milly, Molly (NZ) Inc
PO Box 539
Gisborne

Dear Friends

The New Zealand Police Youth Education Service (YES) would like to thank the Friends of Milly, Molly (NZ) Inc for so generously supplying the YES with stocks of two Milly, Molly story books.

One of the stories will make an additional resource for our Junior *Keeping Ourselves Safe* child abuse prevention programme. The other will be incorporated into our Junior Primary *Kia Kaha* anti-bullying programme. Police Education Officers, who deliver these programmes, and teachers are always looking for fresh new resources that will stimulate children, while at the same time provide important messages.

The New Zealand Police Youth Education Service is committed to keeping our children and young people safe from abuse and bullying, and teaching them values that will help them to lead safe, positive lives. These two Milly, Molly stories will greatly assist with this.

Thank you again for your support.
